## REMEDY FOR HAY FEVER

After Trying Other Treatments, Hyomei Was Used With Perfect Success.

Before the discovery of Hyomei the only advice a physician could give his hay fever patients, was to go away from home, but now anyone who is subject to this disease can, if Hyomei is used, stay at home without fear of the annual attack of sneezing, watery eyes, and other discomforts.

J. F. Forbes a well known Western railroad man, whose home is at McCook, Nebraska, writes: "I have never had any relief from any remedy for hay fever, even temporarily, until I discovered the merits of Hyomei. I always recommend it when occasion requires."

There is no offensive or dangerous stomach dosing when Hyomei is used. This reliable remedy for the cure of all diseases of the respiratory organs is breathed through a neat pocket inhaler that comes with every outfit, so that the air taken into the throat and lungs is like that of the White Mountains or other health resorts, where hay fever is unknown.

The fact that Rickert & Wells agree to refund the money to any hay fever sufferer who uses Hyomei without success should inspire confidence in its power to effect a cure. A complete outfit costs only \$1.00 and extra bottles but 50 cents.

### DOG SUICIDES.

Story from Manchester Might Lead to That Belief.

Manchester, July 23.—What was apparently a deliberate attempt on the part of a dog to commit suicide occurred here yesterday during a thunder shower.

The animal, which was a seven year old shepherd dog, owned by J. Blackmer of this place has been for some years terrorized during electrical storms. When the shower came up yesterday he sought refuge in the main building of the Bradley Butter Box Manufacturing company at the depot. He was driven out by the employees. Shortly afterwards he was seen to run madly into the engine room and jump deliberately into the rapidly revolving fly wheel. The engineer stopped the machinery as quickly as possible. Two spokes had already been taken out of the twenty-foot iron wheel.

### CHANGE IN NAME NOTICE.

Whereas, there seems to be a difference of opinion among the abutters on Dewey Street, so called, as to what is the proper name of said Street, it being named Dewey Street from Washington Street to Hill Street and Carleton Street from Hill Street to Orange Street; and, whereas, some of the abutters on Carleton Street, so called, claim the name of the Street was changed without their receiving proper notice; and, whereas, it appears that some of the abutters on Carleton Street, so called, wish to retain the name of Carleton Street and the abutters on Dewey Street, so called, wish to retain the name of Dewey Street; and, whereas, it seems desirable that the question of a name for this Street should be settled in such a way that there shall be no further misunderstanding in relation thereto; and, whereas, the Street Commissioners were ordered by the Board of Aldermen at a meeting held on July 25, 1905, to call a hearing of the abutters on said Street to properly name this Street, the Street Commissioners have therefore appointed Wednesday, the 9th day of August, 1905, at 4 o'clock in the afternoon, as the time for the hearing of the parties interested in the name of said Street and the City Council Chamber in the City Hall as the place of said hearing.

Dated at the City Hall, in the City of Barre, Vt., this 27th day of July, A. D. 1905.

J. J. Mackenzie, James Adie, F. H. Burke, Street Com'rs in and for City of Barre, Vt.

## Beef, Wine and Iron

### The Old Time Tonic

This Tonic has been on the market for a hundred years and is the favorite, notwithstanding the large amount of advertising done by patent medicine firms. This is not a patent medicine, but is a home remedy originating in one of the early settler's homes of this country. It contains the strengthening properties of prime, lean beef, a soluble salt of iron, together with good sherry wine. It makes blood. If you are run down, feel bad and realize that you need a tonic, you will find in this long-known remedy a never-failing rejuvenator. We put this up ourselves, know the quality of every ingredient we put in it and guarantee that there's no better Beef, Iron and Wine on the market. The price for a full 16-ounce bottle is only 50c.
